Subject: Don't Scale back Portland Harbor Cleanup

Greetings,

I was dismayed to read that there is a new plan to scale back the original agreed upon Portland Harbor Clean up plan, as outlined here:
https://19january2017snapshot.epa.gov/newsreleases/epa-announces-final-superfund-cleanup-plan-portland-harbor_.html

This plan has taken almost 20 years to come to fruition, and I strongly oppose any efforts to reduce the scope of the plan. Please stick with the original clean up plan...our kids and our environment deserve it.

Thanks,
